Second Announcement

XVIII GEOMETRICAL SEMINAR

This is the 18th meeting of the Geometrical Seminar which started its activities during the eighties in the last century, under the name Yugoslav Geometrical Seminar. The 17th Geometrical Seminar, which took place at Zlatibor 2012, had more than 120 participants from about 30 countries. The aim of these meetings is to bring together mathematicians, physicists and engineers interested in geometry and its applications, to give lectures on new results, exchange ideas, problems and conjectures.

The Seminar agenda includes **30-minute lectures**, **15-minutes short communications** and a **poster session**.

Conference Topics:

Differential Geometry;
Topology;
Lie Groups;
Mathematical Physics;
Discrete Geometry;
Integrable Systems;
Visualization;
Computer Graphics;
Engineering graphics;
as well as other subjects related to the main themes.

Date and place:

Vrnjacka Banja, Serbia, May 25-28, 2014

Registration:

The registration of the participants will be on May 25.
